Skin Treatments

We are a specialist skin and beauty boutique offering a range of services from bespoke facials and advanced skin treatments to lash extensions, spray tans and other beauty services.

Our professional therapists are dedicated to creating the perfect skin journey just for you. All our facial treatments are tailored to suit your skin type, skin concerns and desired outcomes.

Skin Health Conversation

30 min | 39

Before you indulge in any skin treatment, we recommend booking a consultation to discuss your skin health with one of our trained therapists. During this time, we will take a deeper look at the dermal layers of your skin and discuss any problems or concerns you may have. This way, we can make a professional recommendation for your best suited in-salon treatments and home care.

Indulge Spa Facial

45 min | 119

Surrender your stress and deeply nourish your skin with our signature facial. Your skin is nurtured with a fully customised classic facial and scalp massage leaving you feeling relaxed with plump, glowing skin.

*Treatment Enhancers | Microdermabrasion 39
Vitamin Infusion 34 | Extractions 30*

Deluxe Vitamin Infusion Microdermabrasion

45 min | 149

Our diamond microdermabrasion is the perfect exfoliating and resurfacing facial. This non-invasive treatment encourages natural skin rejuvenation and the production of collagen. Once your skin is silky soft, we perform a vitamin infusion which allowing us to deliver powerful antioxidants and active ingredients deep into the skin to plump, smooth and boost hydration levels.

Performance Skin Treatments

Hydrating Lactic Peel

30 min | 115

This gentle AHA peel works to give your skin a major glow-up. Amazing hydrating benefits will strengthen the skin's natural moisture factor and will leave your skin feeling cushion-soft. This treatment helps provide firmer, youthful looking skin.

*Treatment Enhancers | Microdermabrasion 39
Vitamin Infusion 34 | Extractions 30*

Radiance & Glow

30 min | 125

This brightness-enhancing mask combines a powerful blend of eight skin brightening agents to instantly reveal a luminous complexion. Perfect for skins that are prone to pigmentation or post acne scarring.

*Treatment Enhancers | Microdermabrasion 39
Vitamin Infusion 34 | Extractions 30*

Clarify Mandelic Peel

30 min | 115

Mandelic peel will help prevent acne by removing dead skin cells and bacteria clogging pores. In addition, its moisturising effects keep the skin hydrated and soft, allowing blemishes to heal faster. This is an excellent option for those with sensitive skin and the perfect treatment for teenagers.

*Treatment Enhancers | Microdermabrasion 39
Vitamin Infusion 34 | Extractions 30*

Anti-Aging Enzyme Peel

45 min | 189

This enzyme facial is the ultimate of all anti-ageing treatments. Our non-invasive Retinol (Vitamin A) & Bromelain (pineapple extract) based peel helps to smooth and hydrate fine lines and wrinkles, improve skin surface texture and pigmentation to give an overall brighter complexion. The Vitamin A continues to work within the skin for up to a month keeping you looking and feeling youthful.

Advanced Skin Treatments

Radiance Renew

45 min | 159

Combining the benefits of a Lactic or Mandelic peel with the powerful Brightening Accelerator treatment to reveal aclear and luminous complexion.

*Treatment Enhancers | Microdermabrasion 39
Vitamin Infusion 34 | Extractions 30*

Lymphatic Enzyme Therapy

75 min | 220

The circulatory system plays a key role in a holistic approach to skin health. Lymphatic therapy is a formulated tightening mask designed to work with your lymphatic system to gently exfoliate, flush fresh blood and nutrients throughout the skin network and improve lymphatic drainage to detoxify skin.

Ultimate Anti-Aging Rejuvenation

60 min | 290

Experience the powerhouse of all anti-ageing treatments. Reveal hydrated, radiant younger looking skin with this powerful anti-oxidant rich treatment. Combining the ultimate trio of the enzyme peel, skin brightening treatment and customised mask for an overall anti-ageing solution.
